25 and teacher quality program, community colleges, and community  
26 college salaries.

27 The department of education and the state board of regents  
28 are directed to submit a report to the general assembly by  
29 December 15, 2010, detailing community colleges and regents  
30 institution initiatives implemented to create greater  
31 efficiencies, and details on the methods by which community  
32 colleges and regents institutions implemented the 10 percent  
33 budget reduction ordered by the governor in 2009.

34 The bill appropriates moneys to the state board of regents  
35 for the board office, universities' general operating budgets;

1 the southwest Iowa graduate studies center; the siouxland  
2 interstate metropolitan planning council; the quad-cities  
3 graduate studies center; Iowa public radio; the state  
4 university of Iowa; Iowa state university of science and  
5 technology; the university of northern Iowa; and for the Iowa  
6 school for the deaf and the Iowa braille and sight saving  
7 school, including tuition and transportation costs for students  
8 residing in the schools.

9 The bill also requires the department of administrative  
10 services to pay the state school for the deaf and the Iowa  
11 braille and sight saving school moneys collected from counties  
12 for expenses related to prescription drug costs for students  
13 attending the schools and for licensed classroom teachers at  
14 the schools.

15 The bill allows the state board of regents to use  
16 indebtedness to finance certain projects resulting in energy  
17 savings.

18 The bill includes a number of statutory changes:

19 The bill, for fiscal year 2010-2011, establishes that if  
20 the number of requests from school districts for initial  
21 participation in the preschool program exceeds the funding  
22 made available for the preschool program, rather than apply  
23 the selection criteria provided in the Code, the department of  
24 education must implement a method for prorating grant awards to  
25 ensure that all interested and qualified school districts have  
26 access to the funding.

27 The bill amends language providing for a standing  
28 appropriation of state foundation aid to provide that all state  
29 foundation aid moneys received by a school district shall be  
30 deposited in the general fund of the school district and may  
31 be used for any school general fund purpose unless otherwise  
32 provided by law.

33 The bill also exempts the school district and area  
34 education agency teacher salary supplement district cost,  
35 the professional development supplement district cost, and

1 the early intervention supplement district cost from an  
2 across-the-board reduction in state funding ordered by the  
3 governor and requires that the reduction be taken from the  
4 remaining moneys appropriated for state foundation aid. Moneys  
5 appropriated by the general assembly for community college  
6 instructor salaries are also exempted from across-the-board  
7 reductions in state funding ordered by the governor. These  
8 provisions take effect upon enactment and the provisions  
9 relating to teacher salary supplement district cost apply to  
10 the calculation of the teacher salary supplement district cost  
11 for the school budget year beginning July 1, 2009.

12 The bill requires school districts and area education  
13 agencies to combine payments made to teachers to create a  
14 combined salary, requires the teacher contract to include the  
15 combined salary, and requires that the salary schedule only  
16 use the combined salary. This provision takes effect upon  
17 enactment.

18 The bill requires the board of educational examiners to  
19 provide a complaint, any amendment to a complaint, and any  
20 supporting documents to the respondent immediately upon  
21 the board's determination that jurisdictional requirements  
22 have been met and prior to the board's investigation. This  
23 provision takes effect upon enactment.

24 The bill amends statutory language to decrease funding  
25 for fiscal year 2010-2011 for purposes of national board  
26 certification awards, the ambassador to education position, for  
27 the statewide network of professional development for teachers  
28 and evaluator training, and teacher development academies.  
29 The bill also reduces funding each fiscal year for teacher  
30 development academies. The bill increases funding for the  
31 fiscal year beginning July 1, 2010, and succeeding fiscal years  
32 for beginning teacher mentoring and induction programs.

33 The bill amends 2010 Iowa Acts, House File 2295, if enacted,  
34 to require that the area education agency task force provided  
35 for by the bill review funding options for area education

1 agencies subject to across-the-board reductions ordered by the  
2 governor.

3 The bill changes the dates by which the state board of  
4 regents and the college student aid commission must submit  
5 certain annual reports from January 1 to January 15. The bill  
6 also strikes language specifying the information the university  
7 of Iowa hospitals and clinics (UIHC) must report to the general  
8 assembly, and authorizes UIHC to submit its independently  
9 audited financial statement by January 15 annually.
